Self-Employed Tree Planters for Upcoming Season

Opportunity for planting work throughout December to March, with opportunity for ongoing plantation maintenance work for the right candidate.

Most of the works are throughout Staffordshire, Warwickshire, Worcestershire, Shropshire and Herefordshire.

We may be able to organise a car-pool, depending on the site, by separate negotiation.

Day-rates negotiable.

Essential:

Safety consciousness.

Practical and hardworking mindset.

Reliability.

Outdoor working, in all weathers.

Correct PPE for planting: Steel-toe and midsole boots, high-visibility jacket/vest.

Desirable:

Emergency first aid at work *plus forestry* / Level 3 first aid.

Tree identification experience, with some knowledge of silvicultural characteristics.

Experience planting trees commercially.

Driving licence/own transport.

Please send a summary of your qualifications and experience to Alexander Ruse:
